1) Personal information:

Name: Mohammad Amin Bahrami

Birth date: March 21, 1980

Birth place: Shiraz, Iran

Marital Status: Married, 2 children

Institution: Shiraz University of Medical Sciences, Shiraz, Iran.

Work address: School of Health Management and Medical Informatics, Shiraz University of Medical Sciences, 29th Alley, Ghasrodasht street, between Felestine and Molasadra street, Shiraz, Iran. P. O. Box: 7133654361

Email: aminbahrami1359@gmail.com, m_bahrami@sums.ac.ir

Phone: 0098-913-2565057

2) Academic qualifications:

- January 2006-February 2010: Ph.D. in healthcare management, Iran University of Medical Sciences, Tehran, Iran
- September 2003-January 2006: MSc in healthcare management, Iran University of Medical Sciences, Tehran, Iran
- September 1999-August 2003: BSc in healthcare management, Shiraz University of Medical Sciences, Shiraz, Iran
- September 1994-September 1998: High school, Tohid 1 high school for gifted students, Shiraz, Iran

3) Occupation:

- Since 2018: Employment as associate professor in department of healthcare management, Shiraz University of Medical Sciences, Shiraz, Iran
- Since 2016: Employment as associate professor in department of healthcare management, Shahid Sadoughi University of Medical Sciences, Yazd, Iran
- Since 2010: Employment as assistant professor in department of healthcare management, Shahid Sadoughi University of Medical Sciences, Yazd, Iran
- Since 2007: Employment as part time instructor in department of healthcare management, Shahid Sadoughi University of Medical Sciences, Yazd, Iran

4) Professional/Managerial experiences and positions:

- Deputy of healthcare management department, Shiraz University of Medical Sciences, 2019-current
- Member of scientific committee of Iranian national medical students' Olympiad, 2012-current
- Secretary of the work group of scientific authority, School of health management and informatics, Shiraz University of Medical Sciences, 2019-current
- Secretary of the work group of curriculum development, School of health management and informatics, Shiraz University of Medical Sciences, 2019-current
- Scientific committee member, Health human resource research center, Shiraz university of medical sciences, 2018-current
- Scientific committee member, Hospital management research center, Shahid Sadoughi university of medical sciences, 2011-current

- Scientific committee member of social determinants of health (SDH) research center, Shahid Sadoughi university of medical sciences, 2011-current
- Member of Iranian society of health management and promotion, 2018-current
- Member of Iranian scientific society of hospital administration, 2010-current
- Head of healthcare management department, Shahid Sadoughi university of medical sciences, 2010-2018
- Member of health policy research center, Shahid Sadoughi university of medical sciences, 2011-2017
- Research deputy, Education Development Center (EDC), Shahid Sadoughi university of medical sciences, 2016-2018
- Secretary of the work group of scientific authority, Shahid Sadoughi University of Medical Sciences, 2015-2018
- Director of educational planning committee, education development center (EDC), Shahid Sadoughi university of medical sciences, 2015-2018
- Member of post-graduate committee, public health faculty, Shahid Sadoughi university of medical sciences, 2011-2018
- Member of post-graduate committee, international campus, Shahid Sadoughi university of medical sciences, 2014-2018
- Member of health system research (HSR) council, Shahid Sadoughi university of medical sciences, 2011-2016
- Head of student research committee, Shahid Sadoughi university of medical sciences, 2011-2012
- Research advisor of student research committee, Shahid Sadoughi university of medical sciences, 2010-2011

5) Editorial and peer review:

- Editorial member, BMC Research Notes:
<https://bmcresearchnotes.biomedcentral.com/about/editorial-board>
- Editorial member, Journal of health management and informatics:
<https://jhmi.sums.ac.ir/journal/editorial.board>
- Chairperson, Management strategies in health system (A Persian quarterly journal):
http://mshsj.ssu.ac.ir/persons.php?slc_lang=fa&sid=1
- Editorial board of regional Asia, Bali medical journal:
<http://www.balimedicaljournal.org/index.php/bmj/pages/view/editorialboard>
- Editorial member, Journal of Shahid Sadoughi university of medical sciences from 2016 to 2019 (A Persian monthly journal):
http://jssu.ssu.ac.ir/index.php?&slct_pg_id=37&sid=1&slc_lang=fa
- Editorial member, Journal of nutrition and food security from 2016 to 2018:
<http://jnfs.ssu.ac.ir/page/13/Editorial-Board>
- Editorial member, Evidence-based health policy, management and economics:
<https://jebhpme.ssu.ac.ir/page/13/Editorial-Board>
- Editorial member, International Journal of Innovative Studies in Medical Sciences:
<https://ijisms.com/editorial-board>
- Reviewer of hundreds of manuscripts for more than 30 national and international journals including PLOS journals; JMIR publication and BMC journals

7) **Some research projects/Grants** (Conducting nearly 35 national and local research projects):

- Dissemination of Covid-19 related misinformation a social media: A thematic analysis. Funded by Shiraz University of medical sciences, Shiraz, IR Iran.
- A survey on the direct to physician pharmaceutical marketing in IR Iran. Funded by Shahid Sadoughi University of Medical Sciences, Yazd, IR Iran.
- A survey on the health misinformation, disinformation and fake news in IR Iran. Funded by Shahid Sadoughi University of Medical Sciences, Yazd, IR Iran.
- A survey on the online health information seeking behavior in diverse populations of IR Iran (including girl students, pregnant women and inpatients of hospitals). Funded by Shahid Sadoughi University of Medical Sciences, Yazd, IR Iran.
- Designing a supporting model for educational creativity and innovation in Iranian medical universities. Funded by Iranian national health research center, Tehran, IR Iran.
- Designing a treatment seeking behavior tool. Funded by hospital management research center, Shahid Sadoughi hospital, Yazd, IR Iran.

- Designing a performance-based payment model for nurses in educational hospitals. Funded by health policy research center, public health school, Shahid Sadoughi University of medical sciences, Yazd, IR Iran.
- The effect of nurses' emotional intelligence on the nurse-patient relationship. Funded by Shahid Sadoughi University of medical sciences, Yazd, IR Iran.
- Designing a nursing scheduling model using 0-1 goal programming for Yazd teaching hospitals. Funded by hospital management research center, Shahid Sadoughi hospital, Yazd, IR Iran.
- Internal environment analysis of Yazd educational hospitals using Wiseboard 6-dimensional model. Funded by Shahid Sadoughi University of medical sciences, Yazd, IR Iran.
- The study of relationship between managers' thinking style and organizational readiness for innovation in Yazd teaching hospitals. Funded by Shahid Sadoughi University of medical sciences, Yazd, IR Iran.
- Satisfaction of pre-hospital emergency medical services technicians from the in service educational courses. Funded by Shahid Sadoughi University of medical sciences, Yazd, IR Iran.
- The study of factors affects staffs' participation in organizational decision making in Shahid Sadoughi University of medical sciences. Funded by Shahid Sadoughi University of medical sciences, Yazd, IR Iran.
- The measurement of Iran sought provinces efficiency in capturing HDI via DEA. Funded by Shahid Sadoughi University of medical sciences, Yazd, IR Iran.
- Patients' satisfaction from hospital services in Yazd teaching hospitals. Funded by Shahid Sadoughi University of medical sciences, Yazd, IR Iran.
- The effect of staff's perception from organizational equity on the corporate social responsibility in Yazd teaching hospitals. Funded by hospital management research center, Shahid Sadoughi hospital, Yazd, IR Iran.
- The study of teaching hospitals' readiness for confronting with crisis in Yazd. Funded by hospital management research center, Shahid Sadoughi hospital, Yazd, IR Iran.
- Challenges of clinical governance implementation in Iranian educational hospitals. Funded by hospital management research center, Shahid Sadoughi hospital, Yazd, IR Iran.
- Educational needs of hospital staff for implementation of clinical governance. Funded by hospital management research center, Shahid Sadoughi hospital, Yazd, IR Iran.
- The study of factors affects patient decision in hospital selecting in Yazd. Funded by Shahid Sadoughi University of medical sciences, Yazd, IR Iran.
- Designing a health system performance assessment model for IR Iran. Funded by Tehran University of medical sciences, Tehran, IR Iran.

8) The most important research projects in progress:

- Using Tele-health for reducing disparities of access to healthcare
- Tele-health applications for addressing the needs of high risk populations during outbreaks
- Identification of challenges and developing a national strategy to ensure the care continuity for people with diabetes during outbreaks based on the Covid-19 experience
- Identification of challenges and developing a framework of mental health care provision for hospital employees during outbreaks based on the Covid-19 experience
- Developing a stewardship framework of elderly health promotion for Iran
- Developing a community-hospital partnership framework for Iran
- Identification of hospital services outsourcing challenges in Iran

9) Main research areas:

- Health information and communication
- E-health and m-health
- Social media and health
- Public health promotion and education
- Elderly health
- Health systems' functions and performance
- Organizational behavior of health workers
- Healthcare Marketing

10) Some oral and poster presentation (Presentation in nearly 30 national and international congress):

- Estimation of drug demand function in Iran based on the household budget. National conference of drug economics, Tehran, IR Iran, 2013. (poster)
- SERVQUAL analysis in Shahid Sadoughi hospital. National conference of clinical governance and continuous quality improvement. Tabriz, IR Iran, 2013. (presentation)
- Safety grade in Yazd educational hospitals. National conference of clinical governance and continuous quality improvement. Tabriz, IR Iran, 2013. (poster)
- The SERVQUAL analysis in Shahid Sadoughi hospital, 8th annual conference of healthcare management students, Ahvaz, IR Iran, 2012. (presentation)
- The study of factors affects staff's participation in organizational decision making: Case of Shahid Sadoughi University, 8th annual conference of healthcare management students, Ahvaz, IR Iran, 2012. (poster)
- The relationship between managers' thinking style and organizational readiness for innovation. 8th annual conference of healthcare management students, Ahvaz, IR Iran, 2012. (poster)
- Health master plan development methodology. 8th annual conference of healthcare management students, Ahvaz, IR Iran, 2012. (poster)

- The Comparative Survey of Organizational Commitment Based on Personal Traits: A Case Study on Nurses in Yazd Training Hospitals. Nursing services quality improvement strategies, Yazd, 2011. (poster)
- Financial systems in hospital administration. National forum in hospital economics. Tehran, 2011. (presentation)
- The features of costs in hospital. National forum in hospital economics. Tehran, 2011. (poster)
- Designing a model of nurses' emotional intelligence effect on the hospital services quality. Nursing services quality improvement strategies, Yazd, 2011. (poster)
- Forecasting of bed occupation rate in cardiovascular unit of Shahid Sadoughi hospital using time series method. 7th annual conference of healthcare management students, Kerman, IR Iran, 2010. (poster)
- The evaluation of performance indicators in Shahid Sadoughi hospital. 7th annual conference of healthcare management students, Kerman, IR Iran, 2010. (poster)
- Added-value analysis for increasing of hospital revenue. 7th annual conference of healthcare management students, Kerman, IR Iran, 2010. (poster)
- Time series forecasting and bed management in hospital. 7th annual conference of healthcare management students, Kerman, IR Iran, 2010. (poster)
- Internal environment analysis in Shahid Rahnemoon hospital. 7th annual conference of healthcare management students, Kerman, IR Iran, 2010. (poster)
- Medical technology management in Yazd teaching hospitals. 10th national conference of medical students, Tehran, IR Iran, 2010. (poster)
- Effective leadership in hospital. International conference of management. Tehran, 2004.
- Energy management in hospital. 2nd annual conference of healthcare management students, Ghazvin, IR Iran, 2004. (poster)
- The effect of work shift on the nurses' productivity. 2nd annual conference of healthcare management students, Ghazvin, IR Iran, 2004. (presentation)
- The study of participation rate in family planning program in Mazandaran province. Scientific conference of health and family, Tehran, 2004. (presentation)

11) Participation in congress without presentation:

- participation in nearly 15 national and international congress

12) Books:

- **Bahrami MA**, Vatankhah S, Keshmiri F, Ranjbar Ezzatabadi M, Ahmadi Tehrani GhR. Performance management in health system. Kiajour publication, Tehran: 2013. (in Persian)
- **Bahrami MA**, Amiresmaili MR, Ranjbar Ezzatabadi M. Managing health programs and projects. Kiajour publication, Tehran: 2013. (in Persian)

- Nekouimoghaddam M, Amiresmaili MR, **Bahrami MA**. Health economics: Fundamentals and resource flow. Ministry of health and medical education publication, Tehran: 2008. (in Persian)
- **Certifications/Participation in professional workshops and courses:** (Participated in nearly 40 professional workshops)
- Certified in "professional competency assessment of managers" from State Management Training Center (SMTTC), Administration and Recruitment Organization, Islamic Republic of Iran's Presidency (<http://www.en.smtc.ac.ir/>).

13) Supervision on thesis:

- Supervisor or advisor of nearly 10 Ph.D. thesis
- Supervisor or advisor of nearly 30 MSc thesis
- Supervisor or advisor of nearly 50 BSc thesis (project)

14) Summary of teaching activity:

- Training nearly 20 courses for Ph.D students
- Training nearly 120 courses for MSc students
- Training nearly 170 courses for BSc students

15) Language skills:

- Persian: native language
- Turkish: native second language
- English:
 - Reading: excellent
 - Writing: good
 - Listening: good
 - Speaking: good

16) Hobbies:

- Poem
- Traditional music
- Calligraphy
